Notes

- 1. Pulse Residential Pricing:** Pricing applies to residential services only. Applicable fees and taxes may apply and may be in addition to the listed rates. All rates, charges, fees, and applicable taxes are subject to change. All services and products are governed by the Pulse Terms and Conditions at www.PulseFiber.com/TermsAndConditions.
- 2. Internet:** Internet speeds provided by Pulse are not guaranteed and represent best-effort service. Actual speeds may vary based on end-user equipment and other factors. The Future Fiber internet package includes speeds up to 10 Gigs (10 Gbps).
- 3. Plume Home:** As a Plume Partner, Pulse provides a Plume Home subscription, required to use Plume Cloud Services and subject to the relevant terms of reference. By using the service, you accept these terms and those related to Plume Membership, available through the Plume Home app or at www.plume.com/legal/plumehome-service-terms.
- 4. PulseTV and Voice:** A Pulse Internet subscription is required to be eligible for PulseTV and/or Voice services.
- 5. 24-Hour UPS:** Digital Voice Service requires electric power at the customer premises. During a power outage, 911 calling may not be available if a battery backup is not installed, fails, or becomes depleted. Pulse may make battery backups available to help maintain 911 calling capability during outages. Residential customers may choose to use a battery backup and are solely responsible for its supply and replacement.
- 6. Custom Install:** Additional charges may apply for custom installation items outside of standard installation.
- 7. Seasonal Hold:** Seasonal Hold applies to data service only. While on hold, service is reduced to 3 Mbps. The minimum hold period is one month, and the maximum is five months, and the hold can only be activated once every 12 months. Service may be reactivated on any day of the month, and service fees for partial months are prorated. Prorated charges will be billed at the time of reactivation.

The account must remain in good standing during the hold period. Good standing means all explicit obligations are met.
- 8. Early Cancellation Fee:** If the customer does not keep service for at least 90 days after Pulse completes exterior and/or interior installation, Pulse reserves the right to recover all costs associated with the cancellation. These may include number porting fees, off-net circuit contracts and penalties, customer-specific hardware, survey and permit fees, internal and external installation costs, expediting fees, cancellation fees, and a minimum of one month of monthly recurring service fees.
- 9. Promotion Terms:** Terms and conditions for promotional offers are available at www.PulseFiber.com/Promotions.

See Pulse Terms & Conditions at www.PulseFiber.com/TermsAndConditions
